Technical Resources on the Web

Background Technical Information

WFI provides extensive technical supporting information for the species of wood and the various flooring formats we offer. All the information below is available from our web site, www.wflooring.com, where it is cross-referenced & hyperlinked for easy, one click, access. We also provide detailed Installation/Finish/ Safety Instructions and advice to Installers.

Everything highlighted in blue is a hyperlink to the appropriate section on our web site. If you are viewing a printed copy of this page, please visit our web site page, www.wflooring.com/TechnicalResources, where this page, with all the active links can be found. If you do not have access to the web, please call WFI at 856-764-2501 to request faxed copies of the appropriate information.

Comparative Specie Information: (charts showing all the species comparatively)

- [Wood Names](#)
- [Species Hardness](#)
- [Wood Properties](#)
- [Color Properties](#)
- [Shrinkage Tables & Moisture Meter Settings](#)

On Each Specie

- [Individual Specie Sheets](#) – detailed technical properties of each wood as well as what flooring products are available from WFI in that wood.
- [Species Photos](#) – for each specie: 1) a close-up photo, 2) the range of grain / color to be found in each grade, 3) the color change to be expected in the specie & 4) room scenes.
- [Installer Feedback](#) – look here to find out what other installers are experiencing on each specie and to add your personal experiences with the wood.

On Each Flooring Format

- [Flooring Comparison Chart](#) – in one table, compare side by side the lengths, widths, wear layers etc., of all the different flooring formats offered.
- Technical Specifications: (detailed technical specifications for each flooring format offered).
 1. [Solid Un-finished Wood Flooring](#)
 2. [Solid Pre-finished Wood Flooring](#)
 3. [Engineered Tekno 2-Ply SuperStrip](#)
 4. [Engineered WFI 2-Ply SuperStrip](#)
 5. [Engineered WFI 3-Ply SingleStrip](#)
 6. [Engineered WFI MultiPly](#)

For Finishes

- [Factory Finish Options](#) – detailed specifications for each finish we offer.
- [On Site Finish Instructions](#) – warnings/tips on difficult to finish species as well as general recommendations when site finishing our un-finished flooring.
